DICE™

DICE™ SB

MEUNIER TECHNOLOGIES™

Patented

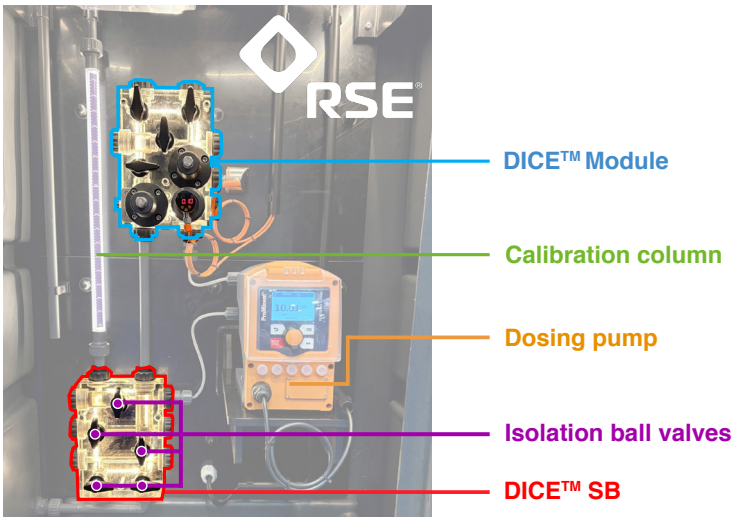

The DICE™ Dosing Suction Block integrates all the necessary suction components required for a typical chemical dosing system. The block type design allows for a rigid, compact and reliable product. The significantly reduced number of connections is a major benefit as it greatly decreases the leakage potential. The module allows for better precision and protection in the dosing system. It also features great quality due to its machined fabrication.

The dosing module overcomes the many fundamental problems of the current piping system design such as: poor quality of the piping connections, many potential leakage points, excessive vibration caused by the pump pulsation (which leads to mechanical fatigue on connections and components) and the unjustified large footprint required.

DIMENSIONS

DIMENSIONS (in mm)								
Sizes		A	B	C	D	E	F	G
1/2" (DN15)	SB	8.61 (218,6)	11.70 (297,1)	4.06 (103.0)	7.15 (181.6)	10.25 (260,4)	6.28 (159.6)	6.14 (113,9)
1" (DN25)	SB	10.51 (267,0)	13.39 (340,0)	4.81 (122.2)	8.78 (223,0)	11.65 (296,0)	6.28 (159,6)	6.14 (156,0)

TYPICAL INTEGRATION

FEATURES INTEGRATED

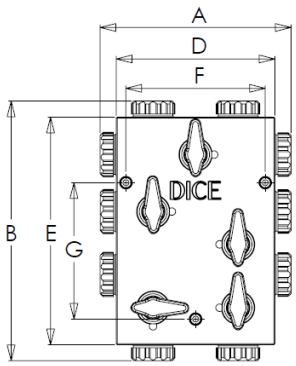

- Standard design that fits all your essential needs
- Extensive reliability and durability
- Possibility of having no threaded or glued connections on the pressurized side
- Extremely compact design resulting in minimal footprint
- Possibility to integrate the module to any chemical dosing pump
- Compatible with the widest range of chemicals
- Lockout option available
- Hydrostatic testing included on every module
- Warranty offered on our DICE™ products

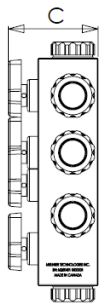

TECHNICAL INFORMATION

We offer a variety of wetted parts materials to suit your application needs. Acrylic, PVC, CPVC and PVDF.

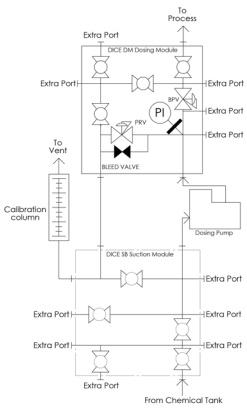

Sizes	1/2" (DN15), 1" (DN25)	**Valve Seat Material***	PTFE
Connections	Hose, Socket, NPT	**Valve Handle Material***	Black ABS
Body Material*	Clear Acrylic (PMMA), PVC, PVDF	**Diaphragm Material***	VITON, EPDM
Component Material*	PVC, CPVC, PVDF	**Seal Material***	VITON, EPDM

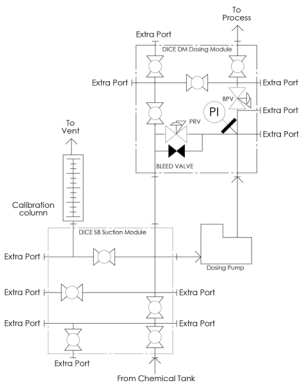

*Non-PVC, as well as other materials, can be supplied on request.
Spare parts in stock
